

APPENDIX A
Pricing for SHARE

For Contract Management Services, contractor shall quote participating SHARE Entities the rates and/or discount required for a custom implementation of the services specified by the RFP. Contractor's proposed rate chart for categories/available services for Document Management Solution Services are found below.

Pricing Format Request Example		NCT 2022-004	
Procurement No.:			
Respondent Name:	SYSINTELLECTS LLC		
Notes:	<p>This pricing sheet is an EXAMPLE of how pricing should be submitted for RFP 2022-004. For each proposed solution, indicate pricing structure used (# of licensed users, # of contracts, tier level pricing, etc). Use as many lines as needed. Detail any additional information necessary. Proposers are encouraged to offer additional features and supplemental functions or services to be offered as a catalog option. Please provide any additional options with 'list less' percentages for pricing. A copy of any catalog services your firm can provide should be included with this response.</p>
